The Story So Far

Miho had no time for superstitions. She came to Cheju Island to begin a new life and work as a teacher. But nothing prepared her, a rich daddy's girl who's been coddled all her life, for what she found upon her arrival... the body of a young woman, mauled almost beyond recognition. With the realization that the killer was something less than human, Miho quickly found herself hunted by an unimaginable evil, with only one man standing between her and death.

Now, with Miho paying for protection, the nameless, suspected serial killer has begun seeking out the demons after Miho using mysterious powers. But after coming across the young girl, Suryon, who cut a deal with the contract demon, Penjullae, Miho learns that everything in this game of demons and death has a price. And, in seeing Suryon's death, Miho realizes money may not be enough to pay for her guardian's services.

ISLAND

When a serial killer is the lesser of two evils...

Miho never bothered with superstition... that is, until she became the quarry of demons who feed on human souls. Now, only one man — a relentless killer named Pan — stands between her and death. But protection comes at a price as Miho finds that Pan may be an even greater monster.

Having witnessed the sheer ferocity of Pan, Miho is now trying to distance herself from him. But that doesn't change the fact that demons are still out for her blood. When Miho receives a desperate phone-call from her only friend, she may have no choice but to rely on her new guardian for help. At the same time, Miho will learn that there are dangers even this man cannot protect her from.

SKETCH #2

1) FOX CREEK: THERE'S AN OLD CHEJU LEGEND ABOUT FOX CREEK, WHICH RUNS BETWEEN SOKWI-PO AND POPHWAN-RI. LONG AGO, A MAN WAS PASSING THROUGH THE AREA ON HORSEBACK WHEN HE RAN ACROSS THE MOST BEAUTIFUL WOMAN HE'D EVER SEEN. "TAKE ME WITH YOU!" THE WOMAN PLEADED, AND THE MAN WAS VERY EAGER TO COMPLY. WHEN THEY ARRIVED BACK AT THE MAN'S ESTATE, HIS DOG CAME OUT TO GREET THEM. SEEING THE WOMAN, THE DOG STARTED BARKING VIOLENTLY AND ATTACKED HER. AFTER THE MAN PULLED THE DOG AWAY, INSTEAD OF THE WOMAN, HE FOUND THE CORPSE OF A FOX WEARING A HUMAN SKULL ON ITS FACE. ACCORDING TO LEGEND, A FOX, AFTER WEARING A HUMAN SKULL FOR 100 YEARS, WILL TAKE ON THE APPEARANCE OF THAT HUMAN.

(AUGUST 4, 1960. THE TESTIMONY OF YI YOPU WHO WAS IN CHEJU COMMERCIAL HIGH SCHOOL AT THE TIME)

2) SHIH TZU: A BREED OF DOG FAMOUS FOR ITS HUGE EYES. IN CHINESE ITS NAME MEANS "LION DOG." IT'S VERY SIMILAR TO THE CHINESE PEKINESE, AND DESPITE ITS SMALL STATURE, IT IS A VERY BOLD DOG.

KEEHAHAHA!

As John comes onto the scene, he and Miho prepare to give the Obsession Spirit a true piece of Hell, even as the demon-hunter Pan finds himself stalked by a creature that feeds exclusively on the sexual energy of men. In the middle of the chaos is the soul of an innocent little girl taken into the wings of evil, and only with the cooperation of John, Miho and Pan can she hope to survive.

When the smoke clears, whether John and Pan stand with one another is anyone's guess as John righteously approaches evil head-on while Pan destroys it by sinking to its level. As their conflict spills onto the city streets of Cheju Island, only one can prevail in a battle that will leave neither unscathed.

Look for the horrific conclusion of Shaman(s) and Show Down in Island book 3.
